PROFILE

Reliable, organised and creative individual interested in design and diverse initiatives that enhance our mental health and well being. Proactive, seeks and embraces challenges whilst being flexible, teachable and meticulous. Currently completing my part 2 qualification in architecture at Kingston School of Art.

EMPLOYMENT HISTORY

OPS MANAGER & ARCH. ASSISTANT | WEALTH HARBOUR CONSULTING
November 2017 – September 2019

Working in a start up environment for a multi-disciplinary company, I have the proven capacity to acquire new skills in a range of different sectors quickly and implement them effectively to support and sustain the growth of the company.

Savvney: teaching our clients how money works and how to make it work for them. Developed partnerships with businesses and charities; demonstrated ability to research, compose and design marketing materials.

Stordeo: providing high-quality affordable videos for businesses. Managed & motivated a diverse team and maintained strong relationships with clients.

Innolivio: delivering low cost, design led, affordable homes. Co-designed a catalogue of prototype housing typologies alongside one project architect.

PART 1 ARCHITECTURAL ASSISTANT | ARCHITEH
November 2016 – August 2017

Prepared CAD drawings, 3D models and reports for planning and building regulation applications.

VOLUNTARY HISTORY

ADMINISTRATIVE VOLUNTEER | NOTTINGHAM NIGHTSTOP
January 2016 – July 2016

Nightstop provides temporary accommodation to young people at risk of homelessness. Responsible for documenting confidential client information and collating case studies to enable more young people to receive support.

PROJECT WORKER | THE ARCHES PROJECT
September 2015 – July 2016

The Arches delivers practical support to people. Responsible for meeting with clients, equipping them with donations and signposting to referral schemes.
