INTERNSHIPS/ WORK EXPERIENCE

Big Data Summer Camp at PwC- Leeds, UK (August 2018)

- Devised plans for a start-up which uses AI with the technology team at PwC allowing me to learn and apply innovative methods to increase profitability of firms.
- Won the AI start-up contest by pitching ideas to managing directors due to lateral thinking regarding the capabilities of data.

Work Experience at the NHS IT Department (July 2017)

- Proposed three new training software packages for clients within the NHS, allowing me to develop the ability to build relationships.
- Attained an additional IT course certificate- a distinction star in the Microsoft Office ECDL Course by expand my skills in more complex aspects of Excel.

Managing Director of a School Start-up Enterprise Firm (2015-2016)

- Won the '**Most Innovative Firm**' award for 'personalised photographs on-the- go' from the LEAP enterprise group by initiating collaborative discussions and bringing ideas to fruition through teamwork.
- Generated £1100 in profit by completing 500 sales from initial £250 investment. This was done by constructing a business plan and running the financial spreadsheets to aid management decisions for one academic year.

EXTRACURRICULAR ACTIVITIES

Undergraduate analyst at the Durham University Investment Fund (November 2019- present)

- Filtered and chose stocks, which are in 5% profit, by completing in depth analysis and a 'Discounted Cash Flow'.
- Head of equity and REIT section of our portfolio, from which I have enhanced my ability to work in a small team and delegate tasks when necessary.

Online Internship with CITI (September 2019)

- Undertook assessed project-based tasks across Investment Banking and Markets divisions through the 'Inside Sherpa' platform.
- Made a recommendation on an acquisition for a firm which was done by performing industry analysis for the client.

Treasurer of the Stephen Lawrence Charity Committee in School (2015-2017)

- Increased participation in weekly action meetings by 25% through presentations to the whole school of our work, which also improved my ability to interact with large audiences.
- Saved 35% of our budget by implementing the more cost-effective methods of operations through negotiating, whilst also liaising with big firms such as Eversheds for extra funding.
- Awarded the '**Cooperative Equity Award**' by the Cooperative Board of Directors for my positive attitude towards teamwork and my outlook on work with the community.

Achieving the 'Best Score in School' award for the UKMT Maths Challenge (2016/17)

- This illustrates my problem-solving nature and allowed me to develop the ability to work in an efficient manner.
