

Adorján Fóti

Profile

I developed my leadership, quick decision making, concentration skills and a never give up mindset by 12 and counting years of professional fencing on a national and international level. I am a fast learner and have strong analytical and cognitive skills proved by numerous scholarships and awards.

Education

University College London- BA, Economics and Business with East European Studies

- Relevant Courses: Economics, Applied Game Theory, Contemporary Issues of International Business, Introduction to International Relations
- Interpersonal skills developed by participating in the UCL Fencing Club Men's First Team, fighting in the BUCS Premier League, and actively participating in the events of the Economics and Finance Society.
- First Year Representative of the Hungarian Society.

ELTE Radnoti Miklos Secondary School

- Hungarian Matura: Advanced level: Mathematics (5), Physics (5), History (5), English (5)
Ordinary level: Hungarian (5), Geography (5)
- Organizer of the school's Science Camp (2015-2018), this volunteering experience improved my skills of motivating and managing people under heavy workload while maintaining a healthy and friendly atmosphere

Experience

Part time Promoter, DHP Family, 2018-present

- Interpersonal communication greatly improves, shows that I can easily adapt to new situations

Casual Fencing Referee, 2014-present

- Responsibilities include keeping order, being up to date on the rules, having an eye for detail and making hard decisions immediately

Languages

Hungarian: native; English: fluent; German: beginner

Achievements

- Mensa HungarIQa member (2017-present)
- Hungarian Junior Templeton Fellow (2016-2017) sponsored by the Templeton World Charity Foundation
