30 Hillside Grove, London, NW7 2LR

Profile:

I am a recent graduate of the University of Nottingham, with a bachelor's degree in Architecture. I am a dedicated, hard-working and creative individual who immerses herself into all opportunities and has an enthusiasm towards learning. I pride myself on my integrity and proactive nature with an aptitude for thinking outside of the box. I currently seeking a career which gives me the opportunity to combine my knowledge of the built environment and organisational skills to build strong relationships and benefit people.

Education:

University of Nottingham	BArch Architecture	September 2016-2019
JFS School, Kingsbury	A levels: A*BC Economics, Mathematics, Physics GCSE's: 8A*s and 2As including Art, Further Additional Science, Mathematics and English	September 2009-2016

Work experience and Projects:

Monothopong Crèche, Limpopo April 2018

Submitted a design after completing in depth research and analysis on site culture.
Took part in the 4-week construction process in Limpopo, learning how to interpret plans, work in a team and adapt to different tasks to achieve the deadline.
Fundraised £1000 towards the construction.

Shadowed and mentored by Solo Architect, London November 2015- September 2016

Experienced various projects gaining an insight at each of the design stages, including client meetings, design, site visits and quality checks participating by providing research to the architect and clients.
Developed visual communication skills as well as the ability to creatively improvise and adapt plans.

Hazlems Fenton LLP, London July 2015

Collected data and created spreadsheets using Excel.
Improved communication, analysis, organisational and Excel skills.

Lloyds bank work experience placement, London
June 2015

Researched potential and existing funds making notes and summaries on case studies which were presented to senior managers in meetings.
