PERSONAL STATEMENT:

I thrive working both independently and part of a cohesive group to achieve an end goal. I enjoy the data analysis aspect of business of which I applied whilst recently working at Opta Sport collating football data efficiently, whilst working under pressure. I am adaptable to different environments, and have the drive keep to developing my professional skills. Recently completed my 2nd year at University and I am looking to secure an internship to enable me the challenge of putting my academic studies into practice.

EDUCATION

Working towards a First class Degree Studying Sport Marketing BA (Hons) at Leeds Beckett University- (September 2018 2021)

Modules include: Sport Finance, the Sport consumer, Marketing Communications, Sport Broadcasting, Sport Economics and Sport Sponsorship.

Northgate High School– Northgate Sixth Form (September 2016 – May 2018)

A LEVEL GRADES:

Economics GCE/A 2018 (C) Physical education GCE/A (C) Biology GCE/A 2018 (D)

GCSE GRADES:

I achieved an A Grade in Mathematics, B Grade in Biology, Physics and Chemistry and a C Grade in both English Literature and English Language. I also attained an A Grade in Resistant Materials and additionally a C Grade in both Geography and Physical Education.

SKILLS SET:

- **Communication:** Demonstrated my Communication skills in the form of active listening when working at Opta Sport in giving and inputting information efficiently from the in-ground correspondent. As part of the social media team at "Ipswich Town Talk" using written communication to write match reports also when being part of the podcast team and explaining my points, and opinions in a way to both meet the target audiences needs whilst being trying to be entertaining.
- **Time management:** Manage my part time employment around my studies, including my current 4am start at Tesco's as a personal shopper during the Covid-19 pandemic.
- **Analytical:** Identifying and collating the data quickly at Opta Sports is crucial.
- **Working under pressure:** Whilst doing bar work and at Opta Sport in a fast paced environment work on live games where speed and accuracy is crucial for clients, I am able to slow myself down and stay calm to ensure no mistakes are made and standards do not drop.
- **IT skills:** Worked with new software at Opta while also as part of my Degree having to film videos to then edit to a high standard. Whilst doing further presentations in front of fellow students, in a way to summarize my key points and connect to the audience.
