

**EDUCATION:**

- 2017 – 2021 **University College London (UCL)** – MSci Information Management for Business
- Participated in UCL's Credit Suisse Project: I presented a project on smart working features aimed at improving office space efficiency.
  - Societies: Economics and Finance Society, Consulting Society
- 2011 – 2017 **Lycée Chateaubriand de Rome, Italy** - French Scientific Baccaalaureate with extensive Mathematics.
- Major Subjects: Mathematics (A\*), Biology (A\*), Physics & Chemistry (A)
- July 2016 **Cambridge University Summer School, UK**
- Subjects: Engineering, Marketing and Business classes (First Class on exams).

**WORK EXPERIENCE:**

- Jul – Aug 2019 **Sky Zone Capital, London**
- Data gatekeeper: I supported the portfolio manager by assessing the accuracy of financial data provider's reports on company earnings.
  - Analyst Intern: I assisted the Investment team in the production of complex leveraged financial models used for portfolio allocation.
- Jul - Sept 2018 **Credimi SPA (Invoice Trading Fintech), Milan, Italy**
- Worked in the lending department, preparing company risk-analysis to assess their financial situation, managing to accept 9 clients.
  - Examined clients' balance sheets to assess the risk of potential exposure and was responsible for defining feasible pricing indicators (interest rates for each invoice).
  - Helped develop and improve an automatic antifraud system to detect fake company scams. I implemented "legitimacy" checks: as a result, the number of frauds decreased by 25%.
  - Customer Service: experienced how to deal with clients' needs, how to assist them and explain them the benefits that Credimi offers, improving customer satisfaction.
- Feb – Jun 2018 **Self Trader, London**
- Put in practice my knowledge on markets by trading US Stocks and cryptocurrency through analyzing companies' earnings report.
  - Invested £1000 and managed to get 30% profit.

**EXTRA-CURRICULAR:**

- April 2016 **Model of the United Nation, Haarlem, Holland**
- Main delegate debating as a representative of India.
  - Presented my resolution in front of the MUN general assembly (finalist) on the refugee crisis and ways to encourage the use of renewable energy.
- April 2015 **Food and Agriculture Organization (FAO) Debates, Rome, Italy**
- Represented my high school, debated and competed against other renown high schools (european competition). Gave my views and proposals on social, economic and environmental topics.
- March 2015 **Grenoble Sport Youth Olympics, Grenoble, France**
- Performed in an international sports competition-competed triathlon, representing my school.

**VOLUNTEERING:**

- May 2017 **"Course contre la faim (Run against hunger)", Rome, Italy**
- Raised over 300€ in funds intended to reduce starvation in Sub-Saharan countries.
  - Every lap would result in a sponsor donation (I ran 22 laps).
- Dec 2016 **Regina Caeli, Rome, Italy**
- Served lunch to 150 jail inmates on Christmas day.
- Nov – Feb 2016 **Community of Sant'Egidio, Rome, Italy**
- Took part of a team of 8, where we organized evening masses for retired women at retirement home.
- June 2016 **Operation Smile, Rome, Italy**
- Took part in the organization and management of a fundraise event destined to provide medical and financial aid to African children. Managed to raise 7,100€.
