Employment and Work Experience History

Legoland Windsor: Retail Assistant

(April 2018 – Present)

Achievements and responsibilities

- Maximising sales opportunities and profits to consistently exceed set targets in a constantly busy sales environment.
- Serve each customer to mystery shopper standards, with focus on upselling products to generate greater revenues.
- Demonstrated flexibility by handling multiple responsibilities within the job, whilst representing a global brand and interacting with people of all backgrounds.

Football for Peace (Voluntary)

(September 2015 – April 2016)

Achievements and responsibilities:

- Assisted in co-ordination of local and national governments, NGO's, national sports authorities and other stakeholders to organise football matches and workshops in Kerala, India to promote empowerment of young women and to provide a forum for debate.
- Part of the project was to help gather data to overcome issues and identify the optimal topics for debate.
- Logistically helped organise football teams of 8 nations to participate in the tournament in India, as well as arranging supplies and equipment required.

JP Morgan Chase & Co

(November 2014)

Achievements and responsibilities:

- Learning about software used in risk management and trading.
- Management information reporting – supported a project manager to produce a presentation during a reporting period.
- Assisting to rank CV's for trading internship roles to provide to HR for interview, requiring fair judgement and organisation.
- Uploading IT solutions to JP Morgan shared online system, required high level of IT skills and ability to interpret and type up instructions simply.
- Shadowing traders to learn about various derivatives and markets traded. This gave me great knowledge of the ins and outs of investment banking and mathematical skills required for economics.
- Ranked excellent by employer in the category's punctuality, suitable appearance, enthusiasm and commitment, helpfulness and willingness to learn, sense of humour, initiative, attitude to colleagues and ability to work in a team or independently.

Charing Cross Hospital and Ealing Hospital

(October 2014 and June 2015)

Achievements and responsibilities:

- Organising patient files and doctor's notes into optimum order for Doctors to read in future. This helped me to gain organisational and administration skills.
- Aided setting up blood rounds equipment for Doctors and Nurses. This helped my ability to perform under pressure in high stakes situations.
- Learnt privacy procedures in a professional environment by confidentiality agreements.

Achievements and Interests

- 2 day work experience shadowing Dominic Grieve QC MP, being placed in Westminster.
- TEDxAston University team member to organise regional annual TED talk event.
- Senior Prefect of Burnham Grammar School, elected by Senior staff.
