## Profile

With an excellent academic record in political science and economics along with experience in diplomatic student conferences on foreign affairs, I am passionate to pursue a career in public policy. Apart from being an effective communicator and team member, my enthusiasm to learn, experience and gain knowledge from different fields is evident through my internship in Digital Marketing.

## Education

### **King's College London**

**London, UK**

*BA (Hons) in International Relations*

2018 - 2021

#### Year 1
