

Anveshan 2023

Sign up now

1. Go to <https://projectset.com/anveshan>
2. Click on **Register now** to get started
3. Select “in India” as the location
4. Select your university name
5. Click on the track you wish to participate in
6. [You're on a new page]; review the details click on **Register Here** to confirm your zone and track
7. Enter your email in the pop-up to log-in to your ProjectSet account (or to sign up for your free account if you don't have one)
8. Confirm your role as a **Participant**. To participate **solo**, turn the radio button to **Private** and you're done! To participate in a **team**:
 - Select **Create a Team** and enter team name¹ to navigate to your virtual team workspace (your ProjectStudio). To add members to your team, click on **View Team Members** and then on the + button to invite new members by entering their their email id². You may also keep the radio button on **Public** mode to allow other participants to find and join your team³
 - **OR** select **Join a team** to review the project title and members of existing teams and select any one to join
 - **OR** select **Be Assigned** to be randomly allotted to a team with other students from the same zone and track. With this option, you may change your preference to form or join a team anytime till the registration deadline day.

You're now all set to rock Anveshan 2023!

- 1) We recommend you use your project topic as team name; you can change the team name at any time subsequently
- 2) You may invite students from other AIU-member universities in your zone only (including your own university)
- 3) It automatically switches off to “Private” mode when your team has the maximum allowable 4 members
